

## A Great Separation

Chorus: There's gonna be a great separation one of these days X 2  
When the wicked will cease from troubling  
The saints of God will be at rest  
There's gonna be a great separation one of these days

Verse: This world is not my home; We are pilgrims just passing through  
When Jesus comes back for his people, We are going to be with the King  
There will be no more troubles, No more suffering and pain  
We are going to be with the Lord, for evermore.
