

Across the Break

Verse 1: If you are broken down by the struggles in this life
And your strength is waning low
Believe there are no storms or waves
Where the power of God can not flow
Choir: The Word of God reaches across the break

Verse 2: There will come a time as you pray, the words will not come
Or that body just won't do the things you seek to be done
Situations and yes people press you more than you can take
Choir: The Word of God reaches across the break

Bridge: For it reaches past the problems, it reaches past the pain
It soothes and calms the fear and conquers the shame
Lead: The Word answers all my questions so right decisions I make
Choir: The Word of God reaches across the break

Vamp: The Word of God reaches (3x)
It reaches, it reaches across the break

Special: It reaches (repeat) across the break
End: The Word of God reaches (3x)
Across the break
