

ALL PRAISE TO YOU!

Verse: Lord sometimes I've lost my faith in you, in need of a word that can only come from you. Without faith it's impossible to please you, I need you now Lord to see me through: Please clean my heart and make me new, my whole desire is to be more like you.

And after it's all is said and done, that I might recognize you as the one; and give all glory, honor, and all praise to you, oh all praise to you!

Chorus: For cleaning up a messed up life, and all of my wrong Lord you came and made right; all praise goes to you for the rest of my life, all praise to you, all praise to you!

All glory, honor, all glory and honor,

It really, truly belongs to you!
