

Don't Look Back

Chorus: Don't look back, no matter what you're going through
Don't look back, God's able to fix it for you
Don't look back, there's not enough time
Escape for your life, Remember Lot's wife
But whatever you do, don't look back!

For Jesus is coming and He's coming real soon

Hold on to your faith, believe in what's right
