

## For The Battle Is Already Won

**CHOIR:** For the battle is already won

**VERSE:** Through many dangers, toils, and snares I've already come.

Still I keep pressing toward the mark for I know, I know the battle's already won.

**CHOIR:** For the battle is already won

**VERSE:** Though dark clouds hover in the sky, I don't worry, I don't worry, I don't worry for God is nigh.  
Still I keep pressing toward the mark for I know the battle's already won.

**CHOIR:** For the battle is already won
