

God Still Cares

VERSE: *(slow)* When you feel like all hope is gone and it seems you stand alone.
Tests and trials on every hand, you're so burdened down, it seems so hard to
stand. Remember God is there and he still cares you just walk on
through...(2x's)

CHORUS: **Through the storms and the rains, through the loss and the pain.**

LEAD: *He'll never leave you nor will He forsake you, just remember that God*

CHORUS: God still cares.

BRIDGE

CHOIR: Many are the afflictions of the righteous

LEAD: *But the Lord, will deliver him out of them all. Oh He may not come when
you think He should, but He's there when you need Him most. You've got to
remember that...*

CHOIR: God still cares

VAMP

Yes I know He cares, yes God still cares.

END *(slow)*

LEAD: *He'll never leave you nor will He forsake you, just remember that God*

CHORUS: God still cares.
