

Hold to God's Unchanging Hand

Choir

Hold on to God's unchanging hand
Hold on to God's unchanging hand
Build your hopes on things eternal
Everybody ought to hold to God's unchanging hand
Everybody ought to hold to God's unchanging hand

Lead

Time is filled with swift transition
Only the righteous shall stand
Build your hopes on things eternal

Choir

Everybody ought to hold to God's unchanging hand
Everybody ought to hold to God's unchanging hand

Trust in Him who will never leave you
Whatsoever the years may bring
When your family and friends forsake you
Everybody ought to hold to God's unchanging hand
Everybody ought to hold to God's unchanging hand

Though trouble comes your way
Hold on to His hand
Whatever comes what may
Hold on to His hand
Everybody ought to hold to God's unchanging hand
Everybody ought to hold to God's unchanging hand

Hold to God's unchanging hand
Hold to God's unchanging hand
(Repeat)

Hold on
Hold on
You can make it if you just hold on
(Repeat)
