

Holiness is Right

Verse: I love holiness, freedom from the burden of sin
(Slow) To be spiritually minded, oh what life and peace within
My soul rejoices and my heart is glad
Thank God for holiness, for holiness is right

Chorus: I love Holiness, holiness it is right
Against the flesh and the devil, we've got to fight
For we are daily walking in the light
Thank God for holiness, for holiness is right

Chorus: Holiness is right (repeat)
Thank God for holiness, thank God for holiness
Holiness is right!
