

I Am Because God Said I Am

Chorus:

Choir: I am because God said I am

Lead: I'm a child of the King

Choir: I am because God said I am

Lead: He's the Master over everything

When the Holy Ghost comes weakness is out

No time for fear, no room for doubt, cause I am

Choir: I am because God said I am, He said I am

Choir: I am because God said I am

Lead: I'm a child of the King

Choir: I am because God said I am

Lead: He's the Master over everything

There is no secret to what God can do

He'll take away old things and make you brand new

Choir: I am because God said I am, He said I am

Bridge:

Lead: You shall receive after the Holy Ghost comes

Choir: Power Lord, power (2x)

Whom the Lord has set free, He is free, free indeed

I am because God said I am, He said I am

Vamp: Power, power

End:

Lead: And I am

Choir: I am because God said I am, He said I am
