

I Shall Not Die, but Live

Chorus: I shall not die, but live

Verse: At times I've felt overtaken, sometimes I can't see my way
Often afraid of the path you've chosen
And I didn't know which road to take
Now I must declare the works of the Lord
And this testimony I will always give;
Though the enemy may try to encamp His army around me

Choir: I shall not die, but live

Bridge: The Lord chastened me sore
But have not given me over to death
For when trouble arise He is my present help

Lead: Though the enemy may try to encamp His army around me

Choir: shall not die, but live

End: I shall live!
