

I Thank God For The Blood

CHOIR: I Thank God for the Blood that came
Streaming down for me it was the Blood that
Made the difference at Calvary

Made the difference at Calvary, it was the
Blood that precious Blood that my Savior
Did shed for Me I thank God for the Blood
That came streaming down for me it was the
Blood that made the difference at Calvary

My sins are gone away no more shame I'm not

Blood that made the difference at
Calvary
