

## I Want to be Ready When Jesus Comes

Chorus: I want to be ready (3x)  
When Jesus comes  
I don't want to be caught down here with my work undone  
I want to be ready when Jesus comes

Verse: Lord not my will, but thine be done  
I want to live holy and righteous until you come  
Anoint me; transform me to be called your beloved  
I've got to be ready when Jesus returns

Bridge: While the Bridegroom tarried  
Lead: They all slumbered and were asleep  
Some were left behind and the ready, He received  
Choir: Then the door was shut  
Lead: To open no more  
That's why I must be ready when Jesus returns

Vamp: Be ready
