It Was a Miracle

Chorus: It's a miracle when I look at my life and see
It's a miracle all the things God has done for me
It's incredible how He keeps me from day to day
How He leads, how He guides me along this narrow way

He lifted my burdens and set me free

Choir: If you want to see a miracle, look at me

It's such a miracle to have holiness in my soul
What a miracle to live life free from sin
All my joy, all my hope, all my help is in Him
