

I've come that you might have life more abundantly  
I've come that you might have life through eternity  
I did not come to condemn the world  
Nor shame you for your wrong  
But I've come to mend your broken heart  
And to give your heart a song

[Chorus 1:]

I've come to give you life  
I've come to give you joy  
I've come to give you life  
More abundantly, more abundantly

[Chorus 2:]

I've come to give you life I've come to give you joy I've come to give you  
life I've come to give you joy I've come to give you life I've come to give  
you joy...

Joy  
Joy, Joy  
Joy, Joy, Joy

[Watch director for modulation and parts]
