

## Never Alone

Lead: I've seen the lightning flashing, I've heard the thunder roll.  
I've felt sin's breakers dashing, which almost conquered my soul.  
I've heard the voice of

my Savior, bidding me still to fight on.  
He promised never to leave me, never to leave me alone!

Chorus: No, never alone, no never alone, he promised never to leave me, never to leave me along

Lead: The world's fierce winds are blowing, temptation sharp and keen.  
I have a peace in knowing my Savior stands between  
He stands to shield me from danger when my friends are all gone.  
He promised never to leave me, never to leave me alone!

Chorus

Special: You may walk through the valley of the shadow of death  
You are not alone, never alone. God knows what you're going through  
he has not forsaken you, he will leave you x 3, alone.

End: He will never leave you x 3, alone.
