

Never Would've Made it

Chorus: I never would've made it without you
I never would've made it without you in my life, Lord!
I never would've made it without you
Never would've made it without you (2x)

Verse: Lord, it's because of you that I'm standing here today
You opened up doors when I could not see my way
Lord, you've been my help through whatever come what may
And I never would've made it without you
No, I never would've made it without you

Chorus:

Bridge: Lord I want to thank you for all you've done for me
You've protected me from danger that I could not even see
Lead: Without your grace and your mercy, I don't know what I'd do
Choir: Never would've made it without you (2x)

Vamp: Can't make it without you
Just can't make it without you
Can't make it without you
Without you in my life

Special: I can't make it (3x) without you in my life
Just can't make it (3x) without you in my life

End: Never would've made it without you (repeat)
