

Pleasing in Your Sight

Verse 1: Down in my heart, Lord I'm striving to be
All the things that you require of me
I need your help, for without you, there's no one else
Who can make me pleasing in your sight

Verse 2: Down in my heart, Lord I'm yearning to be
Holy and upright, like you want me to be
Don't want here in vain or bring shame to your name
Oh Lord, I've got to be pleasing; I want to be pleasing in your sight

Chorus: I must be pleasing in your sight
And give my body as a living sacrifice
I've got to be in your perfect will
For your promise to fulfill
I must be pleasing in your sight (2x)

Bridge: Give me love, joy, peace, longsuffering
Gentleness, goodness and faith
Meekness and temperance
I must be pleasing in your sight (2x)

Vamp: Lord make me pleasing in your sight (repeat) (modulate)

Special: Make me, hold me, shape me, mold me (repeat)

End: I must be pleasing in your sight (repeat)
