

Trouble Will Not Last Always

Don't be discouraged and don't be afraid (unison)

It's only a test, don't be dismayed (unison)

No matter the test and trials you face

Trouble will not last always (2x)

Whatever you're going through just know God still cares

Give Him your burdens

He knows, how much (unison)

How much you can bear

He has all power in His Hand (unison)

No matter the test and trials you face

Trouble will not last always (2x)

Trouble----- trouble

Won't last always!
