

**Verse:** The Lord is my shepherd I shall not want  
For He makes me lie in His green pastures  
He restores my soul  
Though I walk through the shadow of death  
No evil will I fear for I know

**Chorus:** For the Lord is my shepherd and I shall not want

**Lead:** He prepareth us a table before our enemies  
He anointeth my head with oil and my cup overflows  
He gave me goodness and mercy to follow me if I dwell and live in the house of the Lord  
For I know

**Chorus:** For the Lord is my shepherd and I shall not want, The Lord is my Shepherd

**Lead:** He gives me strength from day to day

**Chorus:** The Lord is my Shepherd

**Lead:** He's leading and guiding me every step that I take, He gave me goodness and mercy to  
follow me if I dwell and live in the house of the Lord  
For I know

**Chorus:** For the Lord is my shepherd and I shall not want

**(Repeat) For the Lord is my Shepherd**

**Choir** For the Lord is my Shepherd and I shall not want

**End:** The Lord is my Shepherd I shall not want
