

## We Have Come to Praise the Lord

Chorus: We have come to praise the Lord and lift up Christ our King  
We have come to lift the Savior up in the holy presence  
Oh, oh clap your hands and lift your voice

Bridge: We were created to praise the Lord  
Designed to lift Him up, to magnify His Name in this holy temple

Sop: Ooh, ooh

Altos: Ooh, ooh

Ten: Ooh, ooh

Vamp: Praise, praise, praise the Lord

End: For you are worthy (3x) of all the praise! (repeat)
