We shall be changed at the end
We shall be caught up
We shall meet Him in the air

We shall be changed at the end
If we continue in the word of my God

The Truth that hath made me free
And we shall be changed

I shall receive my crown (repeat and modulate)

I can hardly wait to see His face
There we will dwell in that holy place

We shall be caught up
We shall meet Him in the air

Vamp:

We shall be caught up (repeat)

Oh what joy
Oh what peace
Oh what love

We shall be caught up
We shall meet Him in the air
