

## Will Your Soul Be Ready To Make It In

**CHORUS:** Will your soul be ready, are you free from sin, will your soul be ready, ready to make it in.(2x's)

**VERSE:** It's so late in the evening time is almost up. Saints we've been made to drink from the spiritual cup. We gotta be caught up glory hallelujah to meet the Lord in the air.

**CHORUS:** Will your soul be ready are you free from sin, will your soul be ready, ready to make it in. (2x's)

**VERSE:** When the Lord cracks the sky on that great blessed day there will be no more time to pray no more time to say goodbye. We'll be forever with the Lord to sing and shout the victory

**CHORUS:** Will your soul be ready are you free from sin, keep your lamp trimmed and Bright, I want to be ready, ready to make it in.

**VAMP:** We got to be ready

**Special:** Ready

**End:** Keep your lamp, trimmed and bright, walk in the light, we got to be ready, ready to Make it in.
